

Continuing our Learning at Home - YINT and Y1G

Writing	Can you create an imaginary character that lives in an enchanted woodland (you could take some inspiration from some of the characters we have met in our Enid Blyton books)? Can you write a short description of them? What do they look like? What kind of clothes do they wear? What size are they? Whereabouts would they live in the woodland? What would they do all day?
Mathematics	Share what you have learnt about measuring by investigating: <ul style="list-style-type: none">- who the tallest in your family is- who has the widest hand span- how many footsteps wide your bedroom is- how many cups of water fill the sink
Religious Education	This week we worked together to create a Sukkah in the playground. Can you tell a family member about the festival of Sukkot and why it is an important celebration in the Jewish faith? We looked at images of different Sukkahs that families create each year - can you draw a picture of one, or perhaps even make a mini model Sukkah?
