

## Continuing our Learning at Home - Year 1 - Y1FA and Y1S

<b>Writing</b>	Write a recount of something you have done over the weekend. Try to use a different word to begin each sentence and add some exciting words. Plan each sentence before you write it. Say it aloud to check it makes sense, write it and then check it carefully. Make sure that each sentence is carefully punctuated with a capital letter and a full stop. When you have written down everything you would like to share, read your work back carefully to check it makes sense and is well punctuated.
<b>Mathematics</b>	Can you write all of your numbers to 20 correctly? Can you identify the number of tens and ones (units) in two-digit numbers? 14=1 ten and 4 ones (or 10+4) 17=1 ten and 7 ones (or 10+7) Which number is 1 ten and 3 ones?
<b>Kenya</b>	Create a poster inviting people to visit Kenya. Include colour and think about the places they could visit and the things they might see there.

Think of a question 1
