Weekly Schools PSHE Challenge

Each week we will be setting schools a challenge linked to themes within your PSHE programme to support wellbeing. Each challenge will be delivered as a question we want your pupils to consider and answer using a range of different ways eg. Podcast, poster, artwork, story, comic strip, newspaper report, mind map or power point presentation by school pupils. Teachers, parents, siblings and friends may provide support with this; alternatively the challenge can be completed independently. We are encouraging you to [share with us](#) the work being done so we can celebrate the amazing things you are doing to support pupil wellbeing at this time.
