

Continuing our Learning at Home - Year 1 - Y1FA and Y1S

Writing	This week we have been using the conjunction <i>and</i> to join sentences together. Can you use this conjunction within your sentences when you retell the story from one of your favourite books or your school reading book?
Mathematics	Learn to quickly recall doubles for all the numbers up to at least 10. eg: $5+5=10$ double 9 is 18 $10+10=20$... How quickly can you recall the doubles from double 1 up to double 10?
Religious Education	We have been learning about the Jewish festival of Sukkot, and we made a year group Sukkah in the playground. Can you tell your family what Jewish people do at this celebration, and why they build sukkahs? Which story from the Bible do they think about? Could you draw a picture of a sukkah, or make a model one at home? Remember to bring your picture or a photo of your model in to show the class.
