

Continuing our Learning at Home - Year 2 - Y2P

Writing	This week we have been using the conjunctions <i>and</i> , <i>or</i> and <i>but</i> to join sentences together. Can you use these conjunctions within your sentences when you retell the story from one of your favourite books or your school reading book? Underline each conjunction you use.
Mathematics	Practise finding and recalling all pairs of numbers which total 20 (eg: 19+1, 15+5, 16+4). Remember that if you know all pairs of numbers which make 10 then you can use this information to help you. Play games such as fast 20 to help you quickly recall the pairs of numbers: I say 15, you say 5, You say 10, I say 10)
Splendid Skies	With a grown up, can you search the Internet safely for information about the different types of plants which grow in the British Isles? Keep a record of the plants you have researched: What do they look like? What type of plant are they? Where do they grow?

✂-----

I / we will / will not be able to attend the Year 2 Information Evening on Thursday 4th October 2018 at 7pm.

Child's name -----

Class -----

Signed ----- Parent
