Headteacher Mrs C B L'Estrange BA Ed (Hons) NPQH

6th September 2017

Dear Parents,

Allergies / Intolerances / Food related information / Tetanus - KS1 (Year 1 and Year 2)

As you will be aware, it is important for us to know if there is anything which your child is allergic/intolerant to or cannot eat for religious reasons and whether your child has had a tetanus injection.

I know that you gave us this information last year but we consider it prudent, for the sake of everybody's well-being, that we update this information for the whole school on an annual basis. This is because of our work throughout the curriculum where the children have a range of different experiences, such as cooking and tasting various different foods, tending the school garden (involving coming into contact with plants and soil) and working with a wide range of resources and equipment.

Please complete and return the slip below to your child's classteacher by Friday 8th September. Thank you.

As always, please keep us updated of any changes that occur throughout the year.

Yours sincerely

Caroline L'Estrange
Headteacher
