

Continuing our Learning at Home - Year 1 - Y1C

Writing	Write a recount of something you have done over the weekend. Try to use a different word to begin each sentence and add some exciting words. Plan each sentence before you write it. Say it aloud to check it makes sense, write it and then check it carefully. Make sure that each sentence is carefully punctuated with a capital letter and a full stop. When you have written down everything you would like to share, read your work back carefully to check it makes sense and is well punctuated.
Mathematics	Please practise writing the numbers zero to five in figures, words and using pictures. Here is a example as to how you could set it out: 3 three   Please bring your work in to put on our class display. Can you count forwards and backwards to and from 20? How high can you count? Challenge yourself to read different numbers at home or on your way to and from school - e.g. car registration numbers, timers on cookers, door numbers, page numbers in books etc. What is the largest number you have seen?
Brazil	Research a famous landmark from our chosen country, Brazil. Make a list of interesting facts about the landmark for example: where it is found, what it is, how old it is, what purpose it has.... You may also like to include a picture or illustration.

Think of a question 1
